Thank you Andrew for getting back with me. I sent the information to Charles because that is who the cover letter was from. When the Auditor gave me the project, she did not tell me to send the information to someone else. I am sorry. Now for Guts. For the years of 2005, 2006, 2007 we paid Guts a total of \$ 1,019,526.21. The breakdown on that would be:

2005	\$ 120,488.26
2006	\$ 449,606.78
2007	\$ 449,431.17

Let me know if there is something else you will be needing.  
Thank you

Pat Martin, Deputy Auditor

Pat,

Let me do a sweep around here and see if it turns up. All contracts/exp. info. should have come to me.

I may have to ask you to reproduce and fax/e-mail the information. Basically, we need to know what you paid (total \$) GUTS in 2005, 2006 and 2007.

This will be all we need.

Thank you.

Andrew Holloway
